

PE & SPORTS GRANT INFORMATION 2023/24

PE & Sports Grant Information	
Academy	Ilsham C of E Academy
PE & Sports Grant Allocation September 2023– August 2024	£17,490

Spending Overview :

Rationale

The Learning Academy Partnership is dedicated to delivering high quality PE & school sport to all children. We aim to raise standards in PE and equip the children with the desire, skills, knowledge and understanding necessary to lead a healthy lifestyle.

ACTIVITY	COST £	FUNDING CONTRIBUTI ON	IMPACT SOUGHT	OUTCOME OF FUNDING AS AT 31/08/2024
Engagement with Kinetic to offer Specialist PE support for teachers.	£11,970	£11,970	To develop subject knowledge for teaching staff on the delivery of high quality PE lessons. To develop teaching staff through an incremental coaching approach. Children to experience PE specialist to further develop their physical literacy and skill - building into sports games. Engage, enthuse and spark interest for children in PE and to further engage them in sports clubs outside of school. To expose children to a wider range of sports and activities.	The curriculum now includes a wider variety of engaging activities, promoting overall student health and wellbeing. Additionally, staff have gained valuable skills and confidence through targeted professional development sessions, enabling them to deliver higher-quality PE lessons. This investment has greatly benefited our school's PE program and overall student experience.
Reach Outdoors adventurous activities	£5040	£5040	To improve the provision that we have, for outside learning experiences, further. - To inspire a love of adventure that will stay with them and help them develop into fit, active and healthy adults. - To support and involve the least active or least confident pupils within additional curricular and	Reach Outdoors provided diverse outdoor experiences, including orienteering, paddleboarding, and indoor climbing, involving all children. This initiative enhanced students' physical skills, promoted teamwork, and boosted confidence, contributing significantly to their overall development and wellbeing. The hands-on experiences fostered a love for outdoor activities and

			extra-curricular learning opportunities. - To learn new skills and build on their confidence, independence and self-esteem. - To improve their emotional health and wellbeing.	encouraged a healthy, active lifestyle.
Year 5 swimming	£296	£0	- To enable all students to meet the aims of the National Curriculum of being able to swim 25 metres and perform life-saving skills.	All children achieved the ability to swim 25 meters and perform essential life-saving skills. These sessions, complemented by water safety training, have significantly enhanced students' confidence and competence in the water. This initiative has not only equipped students with vital swimming abilities but also instilled a strong understanding of water safety, contributing to their overall safety and wellbeing.
PE Equipment	£480	£480	- New Playtime resources for the play zones and clubs to ensure that children are able to be active. - To leave a lasting legacy for PE. - To continue to improve pupil's confidence and their physical and emotional wellbeing. To learn new skills and knowledge, which build upon prior learning. To continue to enable children to access high quality equipment and resources to facilitate their learning.	The investment in PE equipment for lessons, after-school clubs, and lunchtimes has significantly enriched physical education activities across the school. Students now benefit from enhanced opportunities to participate in a wider range of sports and activities, promoting physical fitness, skill development,

				and overall wellbeing. The availability of quality equipment has not only increased engagement during PE lessons but also facilitated enjoyable and inclusive experiences during after-school clubs and lunchtime activities, fostering a positive attitude towards physical activity among students.
Total	£17,786	£17,490
